Al is in back row, third from the right. He played first base, and was the lead off hitter (I think he was the only left hand hitter we had) Great times and memories!!

I am sad to hear about Al. I have known and worked for him as an umpire for many years. I will always remember him as an honest, hard working and fair man. He will be missed by me and I'm sure many, many others. My condolences to the family.
