This is so not fair, I miss you so much already. I am thankful that we were so close with each other. I try to remember all the good times that we had and share our memories with Julie and Skyler. I was so proud and honored to have you walk me down the aisle and am so very thankful to have that memory of you. We love and miss you greatly. You were always there when I needed you and you always had my back. I love you so much Pugs and can't wait til the day I get to see you again

My prayers are with you all at this sad time. When I think of Ralph I think of the fun and silly things him and my son did together. It was a blessing to know him. Keeping your family in my prayers.

Mary, I am so sorry! I want to send you lots of hugs. I once read a quote that said "grief doesn't end but it changes...". No quoted or hugs can take away your pain but I know everyone who knows you loves you and only want to help you through this. I'm hoping you take the time you need - for you! Wishing you peaceful, fun and loving memories. I love you girl!!!

Our heartfelt condolences to his family. Ralph was truly a kind person, with a big heart. A truly special friend. As you know, he loved to game. We got to know him in EQOA(Grimgnaw) in the Ageless Knights of Avalon and in WOW as Azriel in Ashes of Avalon. I can't tell you how many hours we spent questing. Kinslayor-Mike, Terry, Mary, Jacques, Lyle, our thoughts are with you. Many of our guildies became friends in real life. From Halas to Highbourne, Stormwind to Darnassus-he touched lives all over the country. (Sorry about Redfire putting us in max debt.) Rainmaker, Raei. Redfire, Staticharge, Dragmite, Daethen, Persix, Arriani, and many others all send there heartfelt prayers. See you on the other side my friend

Ralph, I am so sorry that you have left this world so soon to continue your journey. Although I never met you, you were a true gentleman in every sense of the word. What you did for my dear friend Katarina, will always put you in with the good guys. Thank you Sir, I wish that we could have met so I could have thanked you properly.

My deepest condolences to Ralph's family and friends. Although I didn't know him personally, my great friend called him her friend and that's all I needed to know to know he was a good man with a great heart, I offer my most hopeful and faith filled prayers to all who will miss his earthly presence and pray for Gods peace and understanding as he will be greatly missed. My family and I mourn with you from a distance but are united with you in thoughts and prayers.

So long, and thanks for all the fish; we're gonna' miss you big guy! Not sure what else to say, as for so many it just hit us out of the blue; though I'm sure the only solace we have at this point is that you're not in pain anymore.

I miss you so much, Booboo. It's... it's not fair. This world doesn't make sense without you. I don't know how to ever get through this. You were so much of my world, and a part of me died with you in 5214. This house is empty, cold, and quiet without you. I expect you to throw a penny down at me or yell at the people on my TV to stop cussing. The hole in my soul is irrepairable. I love you. I always have, and I always will. Love always, your Bunny Pants
