“ Remembering you on your birthday. The world seems a little less bright without you. Thank you for all the laughs & memories. You will never be forgotten.

“ I can see Mike sitting around 3 tables, which were pulled together down at Toppers, telling story after story of their "gang" adventures. And that laugh!!! It was contagious. He had shown up to support his friend, Mike Ross, as "Chezzer" had just lost his Dad. The comeraderie, respect, and love between Mike Larson and all his high school buddies was very obvious. His jovial outlook on life will surely be missed. RIP

Just stumbled upon this....Mike was a classmate and friend at SCSU-I last saw him in 1980-we fell out of touch unfortunately, but I have very fond memories of spending a good bit of time with him over a couple of years-we lived in the same dorm, same floor, and played on the same intramural teams.
