

Glen Haven Memorial Gardens & Funeral Chapel

FLORAL REMINDERS

Daily Cemetery Hours are 8 AM to 9 PM

Fresh cut flowers placed in the bronze vase of a memorial marker are allowed any time. When fresh cut flowers have wilted, the cemetery grounds crew will remove and dispose of them and turn the vase down into the marker. *(If you do not have a permanent vase for your bouquet you may purchase one in the cemetery office. A limited number of temporary cones are available in the cemetery office over the Memorial Day holiday weekend.)*

Artificial flowers are permitted and must be securely placed in the bronze vase of a memorial marker. Please note: artificial flowers are all attached into one stem which can be caught by the wind and blown throughout the cemetery. When lawnmowers hit artificial flowers, the wires can damage markers, mower equipment and even injure cemetery personnel. Artificial flowers not placed in vases or cones will be removed.

Flags as part of a floral bouquet placed in the bronze vase are allowed. When the flowers have wilted, the cemetery staff will remove and dispose of the flowers and flag.

Memorial Day you are welcome to place floral displays, including cut flowers, potted plants, wreaths and flags. These will be kept on the graves beginning Memorial Day weekend for one full week and then removed by the grounds staff.

Potted Plants are permitted ONLY for the following occasions; Easter, Memorial Day, Mother's Day, and Father's Day. Placement is allowed during the week of the occasion and WILL BE removed the week following the occasion.

Disposition of Unauthorized Decorations

We urge all families NOT to bring items of monetary value or sentimental family treasures to the graveside. Shepherd hooks, wind chimes, plastic decorations, solar lights, balloons, and birdhouses are not permitted at any time.

Please note all unauthorized decorations will be removed and disposed of immediately.

THE CEMETERY IS NOT RESPONSIBLE FOR THE LOSS OR THEFT OF ANY FLORAL DISPLAYS, VASES OR OTHER ITEMS.
