YOU HAVE QUESTIONS...

What is the cost to set up an advanced funeral or cremation plan?

If I choose cremation can I have a viewing and a service prior to the cremation?

If my wish is to be cremated, do I need to contact a cremation "society"?

Where does the cremation take place?

If I make plans now, can I change them?

What if I move away from the area?

What if I die away from home?

How much does a funeral or cremation service cost?
