“ I remember Betty Hedland as an amazing mother to my friend Laura, and friend to my mother, Betty Waldron. It has been many years, 54, since I would cross the street and play in her home. My mother remembers her as being the kindest and most giving person she has ever known. Sadly my mother lost touch with Betty in the early 70's, but to this day she remembers their friendship. Your Mom had a great impact on our lives and she will always be remembered fondly.
