“ Betty was my bridge partner at Minnesota Valley Country Club for the past couple of years. I enjoyed her tremendously, she was the very best partner and I miss her. Living in the same condo building as she did we also enjoyed many, many hours of bridge year around and spent many hours in the swimming pool solving life's problems. She was a joy to be around.

“ I have many good memories of spending time with the Viitala's: (too-loud) slumber parties, saunas & jumping in the snow afterward, fun visits to the cabin, passing notes in church, and annoying the heck out of Will & Betty. As an adult I truly enjoyed spending time at church with Will and Betty. We've missed Will since he died: it won't be the same at church without Betty. Our heartfelt sympathy to all the Viitala girls & their families.
