“ I was so sorry to hear of Blake's passing. I worked with Blake at Kraft/Nestle and he was one of my absolute favorite DMs. Blake had one of the kindest souls and with that, made a big impact on the world. Sending love to his family.

“ Blake was a wonderful friend, neighbor and boss. Our families had many laughs playing golf when we had our campers on Sturgeon lake. He was a rock for me when my husband passed. I'm sure they are together again sharing stories of their time together here. Our thoughts and prayers to you Denise and all the family. Love to all of you. Mary, Chad and Chelsea

“ I have known Blake, his older brother Ron, and his parents Bob & Miriam Enockson from Leeds (Sioux City, IA.) since they were born. Bob & Mimi are relations of ours and we have spent many happy occasions with them through the years. Blake was a great person, even when he developed his sickness, he kept a smile on his face. He

will be missed by his remaining family, and friends! ! Gary Larson, Sandstone, MN..

“ My heart is broken. Blake was such a kind neighbor and father, exemplified by the kids he and Denise raised. My family has so many fond memories of Andrea spending time with us and we want to send a special hug to you sweetie. You were always such a fine family and we hold so many memories of all of you. We send our love and condolences. The Van Deelens Nick, Lynne, Anna and Abby

“ I remember Blake from the time he was a baby and would come to his Grandma and Grandpa Enockson's house in Leeds. When he was in his early teens, he spent time at our house, boating with us and having fun with Brad. Later in life, I saw him when he and Ron came to Sioux City to spend the time with his Grandma and Rich and Judy. Blake was a fun loving kid and later a man I am so sorry for all he had to go through in the last years. I hope you all can remember the good times. May God bless you all.
