“ He must have been a wonderfully loving young man. In spite of his depression he persevered and did so very much for all around him. I know he will be missed. Much love to your family.

“ Christopher as a little guy was a sweetheart, so cute and always ready with that smile. I didn't get to know him as a young man because of your move, but from hearing from others that did, that sweetness was always there. It's wonderful the way he touched so many for the Lord, and his love of God was evident in the way he lived his life. I am so thankful this isn't all there is, but we will get to see our loved ones again in a much better place. My heart goes out to you all and my prayers are with you.
