“ We have so many memories of Cole. Always the one that tries to make you laugh. Jamming with him in the car to his music. Telling me to “crank” it up. Rest In Peace. You are truly missed.

“ Several times I walked into the break room to get coffee and he would be eating his Alfredo lunch that smelled so good and made me hungry! Apparently it was his favorite! We would exchange small talk briefly and he always had a bright smile and very pleasant and warm to chat with. Prayers for all of his family.
