“ Dave was a decent and good man. We golfed from time to time and in the old days worked together on a number of WC cases. Rest In Peace Dave. You will be missed by your family and many friends.

“ It is sad to hear that Dave has passed away. I worked at Western National with Dave for all the years he was there. I just celebrated 48 years with Western National and hope to make it to my 50th before I retire. Dave was always a kind and happy person with a smile on his face. He golfed with many of his colleagues at Western National over the years. We missed him when he retired and I know your family will miss him a great deal as well. Your family is in my thoughts and prayers. Sincerely, Jean (Peterson) Florek
