“ I have known Jeannie Krueger most of my life. Maybe it was because I've known her so long, but I think its more the kind of person she was, that made you feel at home when she was around you. Even seeing her after a long absence, and you just seemed to mesh with her like no time had passed. I remember when she worked for a time at Kenny's market. She visited with everyone. Back in the day when it truly was a neighborhood market. When you went there, she probably knew your name...and then, what you were having for supper! She will always be lovingly remembered. My prayers and hugs for the family.

“ I am so very sorry that Cousin Jeanne has passed. It was always fun when she joined in family gatherings. She was so lively, and full of stories. I loved visiting with her. We loved her.
May god have mercy on her soul.
