“ Dear family. I am so sorry to hear of Ann’s passing. She was a wonderful, kind person who will be terribly missed. Ann had a wonderful sense of humor and I’d like to share a funny story she shared with me. Ann told me she went to Riverside Cemetery in Fargo to visit my dad Gordon Brant’s gravesite shortly after he passed away May of 2013. She said nobody else was there at the time she was. Ann walked up to his little grave marker and said out loud in her booming voice “what the hell are you doing here?”. 2 headstones away a man popped up his head and said “I came from Minneapolis and I’m pulling weeds”. She said she was quite surprised to get a response. She ended up talking with him for awhile! I shall miss my cousin’s laughter.
