“ I remember our family get togethers whether it be just a short visit in our homes or summer vacation up at the lake. My aunt Eleanor and uncle Les were both so great with my folks (her brother Bob and Violet) and my sister and me it brings nothing but smiles to my face with the memories. I always had laughs with the family whether it be with at wedding gatherings or just family gatherings or just cousin Doug and myself teasing cousin Dave. I remember watching the first moon landing July 20,1969 on a fuzzy little black and white tv with both our families up at their cabin. She may be gone but the memories of her life will be with me the rest of my life. Enjoy heaven dear aunt and I can almost hear you, Les and my parents laughing together again.
