“ Aunt Betty was such a special and wonderful person. She was so full of life and truly enjoyed life. Aunt Betty had such a positive attitude and was always happy. She so loved her family and would always mention how much she missed her husband Tony and her brothers. I so enjoyed our telephone conversations and also our visit to her home. She kept me up on all the happenings of our extended Carland family. What a sweet lady. I will truly miss her. My thoughts and prayers are with her family during this most difficult time.
