“ Genie will always hold a special place in our family's heart. Genie was the most wonderful, loving neighbor we could ask for. She was like a mother to my wife and me and a grandmother to our daughter. Genie always enjoyed her neighbors, so much so that she allowed the children in the neighborhood to have a pumpkin patch in Ken's old vegetable garden. It brought many families together. She shared her gift of music with us by writing a song for our daughter. We still sing it to this day to remember Genie. Her passion for life and driven spirit (good, better, best...never let it rest until your good is better and your better is best) will be with us always. We are so blessed to have known her and will love her always. -Nancy, Jason & Sophia Pung

“ I remember the first time I met Eugenie. My husband, two boys and I had left our entire extended family behind in Florida to move to Minnesota and into the house right behind hers in Robbinsdale. Eugenie was outside working in her beautiful garden. I was immediately impressed by her noble and gracious ways. Thankfully, she decided to take me under her wing and play the part of "Mom". She attended all important events, advised and encouraged me. We shared a love of music, flowers and coffee. She set the example for me to welcome the newcomer for it can make all the difference in someone's life! She will be deeply missed. My condolences to all the family. May God give you peace and comfort.
