“ My deepest sympathy in the loss of your beautiful mother  
I first met your mom when your father was at the Good Samaritan center. We spoke frequently when I cared for your father. She was very devoted to him and I admired her for her loving care. I enjoyed listening to her stories about the Ukraine.  
I smiled warmly when I saw the paper that she had passed as I know she is with her beloved Bill again after so many years as well as Terry.  
May God hold you in the palm of his hand Francis.

“ Linda and family, I was sorry to read of your dear mother's passing in the Albert Lea Tribune. I wish to relate how she would visit me at Hy-Vee on a weekly basis; she would take hold of both hands and note that I attended her church. Then she would immediately say "our" church. She talked of her neighbors and the exquisite eggs she created for them. On more than one occasion she brought treats (Lindt chocolates) which she said Father Berning also appreciated. I would see her at Sunday Mass wearing her beautiful kerchiefs. She was most kind to my brother and I. She would see him at the Post Office and greet him like family. I am sure that her beautiful eyes are now open to those family members awaiting her arrival. Cheryl
