

Mr. Fredrick Carl Bebensee

January 1, 1936 - January 1, 2021

Bebensee, Fredrick C. age 85, of Brooklyn Center, died peacefully 1/1/2021. Fred was born January 1st, 1936 in Maddock, ND to Fred and Mary (Morrison) Bebensee. After the death of his father, his mother married Stanley Anderson who eventually brought the family to MN. Fred was a graduate of Braham HS in 1953 and later attended Augsburg College in Mpls, earning a BS degree in Criminal Apprehension. Influenced by his brother-in-law, Bruce Carlson, a State Trooper, Fred pursued his career as a police officer and began serving the Fridley community in 1966 for 22.5 years and the Brooklyn Center community for another 8 years until his retirement in 1997. A man of wit and integrity, his priorities always remained the same. God, family and friends. An avid gardener alongside his wife Yvonne, he loved having neighbors and sometimes complete strangers stop over to enjoy their beautiful gardens and fish pond. His ability to make anyone feel welcome created many lifelong friendships. When not in the garden, he enjoyed hunting, camping and fishing trips with his family and friends, in the big woods and trout streams of southeastern MN. He also loved his Polka music and would attend Polka dances on Saturday afternoons. A special thank you to Urbana Place Senior Living and St. Croix Hospice for all the comfort and care provided during his stay. He will be dearly missed by all who knew his kind and gentle soul. Fred was preceded in death by his wife Yvonne, parents Fred and Mary Bebensee, step father Stanley Andersen, sisters Marjorie Schusted, Belva Jean Ott, and Louise Behsman. Survived by daughter Sheri (Mark) Roberts, sons Daryl (Scott) Jackson and Keith (Janet) Jackson, sister, Linda Carlson. Many nieces, nephews, grandchildren, great grandchildren and friends. “ Fred was the funniest most caring giving man both George and I have ever had the privilege to know and call our friend and neighbor. He will be missed and remembered with all the memories created. I know Yvonne was there by his side leading him home. I'm sure he had a huge smile and happiness in his heart to be with her again..but probably still thinking "she's not the boss of me". To a safe journey home my friend. We love you. George and Linda Brown.

“ So sorry to hear about Fred, I worked with him at the Fridley PD for many years. He was one of the older cops that I used as a role model when I started.
