“ Uncle Jerry was such a gift to all. Growing up, some of my earliest memories are of Uncle Jerry swinging us around in the air on the front yard of his home which was right across the street from us. I also remember his scuba gear stored in the basement and was fascinated by it. I also remember when some of my teachers in high school found out that Jerry was my uncle and they referred to him as "Hula." Evidently he had a small hula dancer doll on the dash of his car. There are so many memories at the cabin on St. Olaf Lake with him and mom and all of the family.

When our family drove up to Jerry and Judy's wedding in northern Minnesota, we did so in a blizzard. I was an usher and when we picked up my outfit/tux, it was several sizes to big. Mom proceeded to use pins and safety pins to hem things and gather in things but I still looked like a bit Tom Hanks did in "Big". Jerry and Just both looked a bit surprised when they saw me in the outfit and it seemed they did a good job of suppressing their laughter.

He will be missed. A man of strong faith and belief in God and the love and strength of family.

“ Judy and Family, My sympathy is extended to your family. Jerry was a terrific guy with a perpetual smile and always had a nice comment to say to everyone. A true fraternity brother. Gary Gilchrist, Palm Harbor, FL
