“ Gregg and Katie were the 2nd people/dog that I met at the Brookdale Dog park 10 years ago. Katie and my dog Honey would play and chase each other for an hour, 7 days a week, for many years. Gregg always had treats and would pass them around to all the dogs. He was a funny, smart, caring man. He is already missed!

“ My family knew Gregg from the local dog park. He was there almost every day rain or shine with his sweet pup Katie. He was known and cherished at the dog park by dogs and people alike. The dogs always knew to run up to Gregg when he got to the park because he always came with pockets full of treats. He was a sweet man with a kind heart and hilarious sense of humor. We are happy to have known him and will miss him dearly.

“ I had the opportunity to work with Gregg in the warehouse at Permastore while I was in college. I have great memories of his sarcasm and sense of humor. I always enjoyed his company and he made my Friday afternoons more enjoyable. Sending my love to his family in his memory.

“ I worked with Gregg at Perm-a-Store as well. I have fond memories of working with Gregg; him peering over the paper during lunch and adding a sarcastic comment to the conversation, his love of, and stories about, his dog Katie and the endless variety of music genres coming from the warehouse each day. I am sorry for your loss and extend my deepest sympathies to his family. May Gregg rest in peace.

“ So sad to hear about Gregg. He worked with us at Permastore for years and what a great find he was! We'll still go out for lunch on his birthday and remember him fondly. Once a year or so he would shock us with some Swedish techno music in the warehouse. We were never sure where that came from. Our love and sympathy to his brothers and there families.
From Ken and his friends at Permastore.
