“ For approximately 45 years, my family lived only a few doors from the Glotzbachs. Helen's son Paul and I are best friends and it began in the fourth grade. Growing up, I spent countless joyful hours in Helen and Jerome's home. These will always be some of the best memories of my life. Today, I was saddened to learn of Helen's passing. Her family and friends will miss this warm and wonderful person immensely. Her kind spirit and generosity were equaled only by her inner strength and passion for life.

“ I know you and my mom enjoyed each other's company very much. Her faith in God, like yours, is something else! Yours and her example is what keeps people seeing the best in themselves and each other...and treating one another nicely no matter what. A mom like her - I couldn't ask you for anything more! Thanks so much, Grandson Brian
