“ Helen was a very special cousin to me. Her parents would visit our farm in Wisconsin in late 40's and 50's with Helen and her sister and we would have great times driving tractors, cars and riding horses. I was always excited when they came to visit because most of the other farm work was put off until they left. I will always have just great memories of her...Paul Clayson

“ Dear Helen was a wonderful lady! Our family thought the world of her. She was always so classy - smiling, caring, a great listener. She helped to make the family get-together special. Helen will be missed by so many and it looks like she leaves a great legacy of family and friends behind to carry. My mom, Bev Norton, loved and respected Helen so much. Perhaps they're playing cards together now in heaven!
