“ Bob & Vicki, our hearts are heavy to hear of Isaiah's passing. We have such great memories of Crystal Little League days when our boys were young. They had lots of fun together. A couple favorite photos. Blessed be Isaiah's memory, he will be missed. Our thoughts & prayers are with you & your family. God's peace be with you. Jerry & Jeri Munsterman family.

“ Dear Vicki - when I saw the tragic news of your son's death on our Wabash High School mailing list, I immediately felt like I had to reach out to you. While it's been many years, my heart is always close to friends from the old neighborhood and so I'm sad that you and your family have to go through this. The death of a child is something that none of us want. I've never been through it, so I have no idea of the pain you must be feeling. Just wanted you to know that your old classmates do care and we hope you are able to get to a place where you accept what has happened and remember the wonderful times you had with Isaiah. I'm sure there were many. Take care and peace be with you.
