“ I had the privilege of knowing and working with both, Gene and Joann during my 17 years at Olympic/MinMor. Two of the nicest and most caring people I ever met. Joann always loved the summer flowers I would bring from my home gardens and place at the reception desk. I always loved the gluten free cookies, she would bring to share. My sympathies to her family, she was a blessed and wonderful person.

“ Just a quick note to send my thoughts and prayers - I am thankful for Aunt JoAnne. She was always very kind to me, and gave me attention when I wanted to talk about my Grandma, her sister, Helen. I know She was very special to my Dad, Butch, and she was attentive to him, and would remember his birthday each year. I am so thankful that she was ready to be reunited with her husband, parents and many siblings; I am even more thankful that she was ready to meet her savior face-to-face. What a wonderful day! I have fond memories of her. Although I cannot be there, I will pray for peace and comfort at this time as you grieve the loss of your mom and grandma. Blessings and love on you all.

“ You are all in my thoughts and my prayers. Whenever I think of JoAnne I will be reminded of the friendship we shared, the special ways she made a difference to me and in this world. Most of all I will be ever grateful that God Loved me so much, He gave me the gift of having her in my life and my heart. I am Blessed!

To my dear friend....."The Lord has blessed me because of yo". Genesis 80:27

“ Aunt JoAnne was a gifted person in many ways only she never admitted to it. Her humility was above reproach. She reached out to her family and friends with such loving interest in others. I will miss her ver much. I feel so blessed to have her in my life story.
