“ Uncle Jack you were a kind man and a loving husband to my Auntie Gail. I'm sorry to say I didn't get to spend a lot of time with you, but I loved reading about what a great man you were! You will be missed by so very many people, but I'm certain Our Savior has said to you, "Well done good and faithful servant." It is comforting to know that you have entered into your rest with Jesus. May He comfort all those whom you have left behind. I am not good with words so I will end this by saying, Auntie Gail I love you and you are in my thoughts and prayers, as are all those who mourn Uncle Jack's passing. Holding you all in my heart.

“ We first knew Jack when we were stationed at March AFB, Riverside, CA. He lived across the street from us. They got married in his home on base, and we have been friends ever since. Such a wonderful couple! They were so much fun to be around. After both families retired from the military, we met in Minnesota when we came up to visit our son and his family. Such a happy couple to be with! We regret we will not be able to make it to the service this Saturday, but we are getting ready to move to Roseville, MN, this summer. I hope we can spend time with Gail when we move closer to her. She and Jack were such a happy couple. We will miss Jack! Hugs to you, Gail!
