“ My heartfelt sympathy goes out to all of the Langer family. I am so sorry for your loss. The Anderson family and the Langer family have been close friends for many years - 65+.

Joe was a huge part of our lives especially when it came to moving our family every 5-6 years between Washington and Minnesota! Joe was kind, fun, loving and generous. He will be deeply missed.

“ Joe hired me in 1977 and I was the youngest person in the office by years and it felt like he took a big risk by hiring a young hippie, but that was Joe taking the risks. Joe was a huge inspiration to me for the 27 years I worked at Barrett M&S. My office was by his for many years and he had an open door policy that many people would walk in with no appointment and a problem and they would always come out happy with Joe's solution or promise to solve the problem. Joe always had interesting stories and he was a master net worker, very humble and loaded with wisdom. Joe was a person I always admired how he handled and excepted problems and always had a brighter side to the situations. God Bless you Joe.

“ We send our sincere condolences to the entire Langer family!! Joe was always an inspiration to me, and many of the other employees at Barret M&S! I recall some special times on family vacations to Lake Ida near Alexandria Minnesota, as well as Babe Ruth baseball with his son Paul playing first base, Joe helping my dad (Warren) with coaching and other management duties! Joe was definitely a man with a heart to serve others!! I thank God that he was a part of my life! Sincerely, Mark and Diane Clarno
