“ Joan, I'm so sorry to hear of the passing of your Dad. I enjoyed working with him at Purina and again when we joined Ameriprise. We always had fun when we'd run into each other. You're in my prayers.

“ Joan--my condolences on the passing of your father. I have fond memories of visiting your parents house and hanging out with your dad in their beautiful backyard. I think it was as beautiful as the Landscape Arboretum. He was such a character, and I appreciated that he wanted to hang out with us. I'm also sorry to hear that your mom had passed away too. Your mother was a beautiful, elegant lady.

“ My sympathies on the loss of your father and a friend. I always liked visiting with him at the Chapter gatherings. I always remember at the Roundup in 2011 and he was helping Nathan with the money, he said he had never seen that much cash at one time although he dealt with a lot in his career.
