“ I have not seen Keith very much in our adult years, but have great memories as kids. Christmases on Whitall, Trips to visit you guys in Topeka, and summer fun at the cabin on Fawn Lake. You will be missed, cousin. Rest in Peace.

“ I haven't seen much of Keith in our adult years, but we had some great times as kids. I remember summer trips to Topeka. Long hot days riding our bikes and playing games and exploring the neighborhood. Other trips up north at the lake. I remember when we'd be doing something slightly mischievous, he had this completely cute and disarming grin and giggle and voice. Hard to describe but you know what I mean. Thinking back, I think he was a gentle and kind-hearted soul from the time I spent with him. I won't forget him. Peace to those who are hurting right now.

“ They say your cousins are your first friends, and you were one of my best! We had some of the school breaks as kids. Oh, so many memories, from the time I jacked up your haircut to knocking you out of the back of the truck, to so much more that shouldn't be exposed ! I will forever cherish my memories and laughs. Read in Peace, my dear cousin.
