“ I would have to say that Kinney ranks in the top percentage of the kindest and thoughtful people I know. I am so grateful that God allowed our paths in our life journey.

To the Misterek family, may you find peace and comfort in knowing that Kinney is in a far better place now. He is now whole, no more pain or sickness. I can just see him smiling down on all of us now.

May God grant you strength during this time.

Blessings,
Linda Anderson

“ I worked with Kinney on several Reserve System training classes. I loved his dry wit and strong work ethic. My thoughts and prayers are with you at this time.

“ My condolences to the family. I had Kinney as an instructor for a few of my accounting courses at Augsburg several years ago. He was a fantastic instructor and I remember him well.
