“ To Jeanne and the Astren family. So sorry for your loss of mom. From way back she was very sweet to me. Our dads knew each other from business too. At GVCC. later we would always see each other's family. And your parents always gracious. I wish you peace and love at this time.

“ Our condolences to the astrens and keiners on the passing of nabor Lorraine astren. She was a one of a kind person and a hero on the Pennsylvania ave neighborhood. Alex, Lorraine, Fred , and Jeanne were the first people we met when we moved into the neighborhood. I was 7 years old. 56 years later and Lorraine never left the old house. A've shalom. “ Jeanne, I'm so sorry for your's and your families loss. Lorraine was such a woman! The countless memories I have of her growing up. From the Caravans to Winnipeg, (of course having to stop in Fargo overnight since the ladies couldn't sit in a car for entire trip:) To the (unique Gregarious laughs your Dad had, and loved making your mom laugh!) You were blessed with a mother that not only loved you dearly, but was such a role model. I wish I could give you a hug, but know that you are not alone in grieving your mom's loss. Her strength, to lose the her love of her life but yet persevere, and the love and care you gave her, protecting her when your Dad couldn't anymore, is one of the biggest Mitzvah s a child can do for a parent. While I'm sad I won't be able to hug her and laugh with her anymore. I'm glad she's with Alex once again!

“ We're truly going to miss "Auntie 'raine" (per Max) at family gatherings. She was so kind and caring, always asking about your family and quick to laugh with you! She was so smart and interested in current events.

May she rest well after all she did for others!

“ You were our first friends in Minneapolis, and little did we know we were gaining family. I know Lorraine is now joining Bernice, Ben and Zeke in laughing up a storm. Loved Lorraine and our heart breaks for you all. The world is a bit sadder place today
