“ Words are never enough at times like this. Lyle was such a good friend for over 30 years. My late mother had such a crush on him. In the last stages of her illness she didn't like to see people but whenever Lyle would stop by she always perked up. Out came the lipstick and soon she'd come out of her room to say hello. Bet she got all dressed up to greet him when he arrived! My thoughts and prayers go out to you Judy and the family. He will be missed by so many.
