She was a natural athlete, a marathoner who ran countless marathons, triathlons and races, and an avid bicyclist. She always wanted to be active and participating in life. She loved being near the ocean and running on the beach in Fort Meyers and running along Lake Calhoun and Lake Harriet in Minneapolis. She was the first in her family to graduate from high school. She worked many years as a claim's examiner at Northwestern National Life. She bravely fought her battle with Alzheimer's disease. She was deeply loved by all and will be sorely missed. Thank you to all of her caregivers at Becky's Place. There will be a celebration of her life later in the summer when we can gather outside. Washburn-McReavy.com Edina Chapel 952-920-3996
