“ Bob,

What a beautiful tribute you spoke to your sweetheart's memory Tuesday. Your sons were eloquent as well, but your deep heartfelt words were so moving.

I remember Marilyn as warm and zestful woman. Going way back to your wedding in the chapel at Holabird, the radiant smiles on both your faces as you emerged under the canopy of crossed sabres of your fellow mates said it all.

We extend our most sincere sympathies to you and all of your family.

Phi Alpha,

Arnt and LaDonna
