“ It was a great privilege to work with Marlene for many years at Grace Church. I rarely called her by her name, but rather called her “partner” as she was truly a partner in ministry. She had an amazing blend of grace, efficiency and competence, and was a great joy to work with. Since leaving Grace Church I have missed her so very much and look forward to seeing her again in God’s timeless kingdom. I cherish her memory and I’m grateful for her friendship. God bless you, my dear friend.
