“ Marshall was a role model as a good friend...as well as for his business knowledge. Those of us that were business associates, as well as his friend will miss him. His passing is a great loss to us. Our thoughts and prayers are for Anne and his family

“ Marshall Nelson was a great man and one of my favorite people. He was a true friend of my father and our family and will be greatly missed. My memories of growing up on Long Lake with the Johnson's and Nelson's next door are ones that I reflect on often and were some of the best times of my life. My deepest condolences to Anne, Mark, Jennifer and Marsha on the passing of such a great man. He will never be forgotten.
