“ To Trellis, Hiawatha, Treneka, Joe, Juanita and all of Ms. Mary Louise's family, please know that in your time of sorrow my heart goes out to you. I'm heartbroken about Ms. Mary Louise's passing.

I have thought about her often over the years (since Gwen's passing) and wondered how she was doing. I've asked about her and tried to find her. [SMH] Ms Mary Louise always showed me a lot of love... and I had a lot of love for her. She always made sure I was straight and I've never forgotten that.

Please know that my thoughts, prayers and heart will always be with you, her family. I will continue to pray that you all will find comfort in knowing that you will always have people who care.

Please do not hesitate to call on me if you ever need anything.
