“ Grandpa was a great man. He taught me some of the most important lessons in life. First, you should never be afraid to tell those around you how much they mean to you and how much you love them. Everytime I saw him, he told me how proud he was of me and that meant so much. Second, it's important to be present whenever possible. I don't know if I can remember a time where grandpa wasn't at one of our sporting events or important days in our lives. He made it to my confirmation, all my baseball and basketball games, my white coat ceremony, my wedding, and all of my graduations. He always was there and engaged in the moment. I'm so grateful to have had him in my life and learned from such an accomplished person. I love you grandpa and am so proud to have gotten to learn from you!

“ Worlds best daddy! Dad, you were a real class act. A wonderful Husband, Dad, and Grandpa. You always made sure I knew you were proud of me . I will always treasure that I had the true honor of being your daughter and will hold a special memory in my heart of all the time we got to spend together the last several years. Rest In Peace DAD!
