“ This has been said many times that Mike was not a tough guy but a big gentle teddy bear, he wanted us to think he was. He was my first nephew so he was special to me. Really gonna miss him.
RIP Mike. Love you.

“ The first one to say “who’s ass I gotta kick?” Whenever I had any problems.... After my mom passed away he would call n check up on me, he always gave me really good advice and lil pep talks to put me in a better mood... To some he looked crazy, but to me he was a big teddy bear and I loved him!!! My big Cuz Mike I’m gonna miss you

“ Thinking back, one thing is clear you were always there for your younger cousins you took every fear away. You always came through when one of us needed you. You were not just our older cousin you were more like a big brother to us. The saying is so true your cousin is your first best friend! I love you so much Michael, thank you for the best childhood, and will cherish every memory we all shared.
