

Ms. Michelle Lynn Wing

September 5, 1962 - January 4, 2019

Wing, Michelle L. Age 56 of Eden Prairie entered eternal life surrounded by family and wonderful caregivers at St. Francis Hospital in Shakopee, Minnesota on Jan. 4, 2019. Born in Fort Dodge, Iowa at only 2.2 lbs., her fight for life began. Her positive attitude, belief in the good in all people, and the pure love she shared made her an extraordinary individual. Although she sat in a wheelchair, there were no limits to her adventures. As a child, she played with her brother and sister and loved being outside sledding and playing hide and seek.

The family moved to Fort Collins, Colorado in 1979. In high school she developed a love of all sports and especially enjoyed downhill skiing and white-water rafting. Her interest in sports continued into adulthood as she became an avid fan of the Denver Broncos. Michelle also enjoyed being on the Colorado State University (CSU) campus where she worked for 23 years.

Through divine intervention, Michelle was able to travel across the country and join her sister in Minnesota in 2015. It was then that she became a MN Vikings fan. She moved to the Shady View Group Home in Plymouth and brought joy and laughter to everyone she met. Her life was enriched by attending many country music concerts, enjoying Minnesota Twins games, going to the Minnesota State Fair, movies and family holiday celebrations. Michelle also celebrated the birth of her only great niece, visited the cabin, and just last summer hosted an extended Arnold family reunion.

Michelle's family wishes to thank her many caregivers at Shady View, her new Eden Prairie group home, and the nursing and wound care staff at Methodist Hospital. Michelle spent her last twenty-four days at St. Francis Hospital in Shakopee where she and her family received tender and compassionate care from nurses, doctors, wound care specialists, respiratory therapists, environmental services, aides and many others.

Michelle believed she would run in heaven with her family and friends and enjoy life without any physical limitations. She is preceded in death by parents, Marty Wing and

Jane (nee Arnold) Renz; brother, Rick Arnold. Survived by her favorite sister, Kelley Gregory; nephew, Andy (Amanda) Gregory; great-niece, Miss Grace Gregory; step-father, Randy Renz; many other relatives and dear friends. Mass of Christian Burial Thurs. Jan. 10, 2019, 5PM with visitation one-hour prior at The Parish of Saints Joachim and Anne, Church of St. Mark, 350 Atwood St. S., Shakopee. Comments

“ Michelle was a beloved member of the Hartshorn Health Services staff at Colorado State University for many years. Her Zest for life and positive attitude were inspirational.
Best wishes from her CSU family.

“ Michelle lived life more than many of us, despite her physical challenges. I still remember her big smile and enthusiasm when she described seeing a Garth Brooks concert.

“ I met Michelle when she worked with my mom at CSU in Fort Collins. Over those years Michelle was always happy to see my children when I would bring them in to visit. Michelle is a special individual, she always had a smile on her face and enthusiasm for the day. All of the friends she made here speak of her often, and smile when we think of her. I am so glad she was able to be close to her family even though we missed her like crazy. She made an impact on each of us who she met and she will be surely missed. We will miss that sweet smile!

“ It is rare to meet someone who embraced life the way Michelle did. It was an honor to know her, even for a brief time. She made an impact on all those who knew her! -
