“ Mary, you are in our thoughts and prayers at this time of Paul's passing. Our paths would occasionally cross at Mt. Olivet events, like the lutefisk dinner and the service at the Mt. Olivet Retreat Center. May the love and prayers of your extended family from FSH days give you peace and strength. Muriel (Murt) and Mike Hanson

“ Dearest Mary and family. So many wonderful memories of all he did for the Starbuck Open...always a gentleman and efficient. Mary...have to share the memory you sent when Chuck died that I have shared multiple times always thinking of you and your kindness and of course your special parents.."In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours. That voice speaking to you, that spirit looking out of other eyes,talking to you in the familiar things he touched, worked with,loved as familiar friends. He lives on in yourlifecand in the luvescof all others that knew him" Angela Petrie. Hope this comforts you as much as it has me and others. Big hugs

“ I first met Paul in 1985 in Des Moines. He was the sales rep for Levolor blinds. I and my partner were new in the business. He got us started in the commercial blind business. Several years later I and my young family moved to Minneapolis. Paul always was welcoming and helping me with my career. We would have lunches together and talk business and family. He was a good mentor for me. I last saw him about 2 years ago for lunch and my wife was very ill. He would call me and ask how she was doing. She passed in August of 2020. I should have called him and now I regret it. He would have been so helpful. We had some good times together and he always had a good story to tell. Mary, I know you and the family will miss him dearly and my heart aches for you. I will miss him but i have many good memories.

“ Blessings to Mary, Lori, Paul Pederson and the whole Bardal family. I loved spending time with Paul Bardal when his nephew Paul Pederson was in town. He was a great story teller and Mary and Paul always made me feel welcome.
