“ I remember the wonderful time we had with Dick and Eiko on Maui in 1992 and Dick on the beach, energetically digging for crabs. He had such a wonderful sweet humor and welcoming presence. Eiko and Dick are cherished friends, a huge blessing to so many lucky people. I am so thankful our children got to know them too. Judy Schlichting.

“ Dick was an active member of our Hollydale Men's Golf Club for many years. He was a favorite to play with, because he was always cheerful and had fun. He once noticed how I struggled with putting, so he gave me one of his old putters to see if that would help me.

I have fond memories of Dick Hidani.
