“ Us Benson girls met Dick when he was a young man and our dad was a Scout leader. A few Christmas and New Years parties. Dick was a big brother to us little girls. Many memories of "the farm" in Garrison. May God bless you and your family.

“ How wonderful it was to move to Minnesota and make friends with the most wonderful people we could have met. Dick and his entire family welcomed us with open arms, included us in many activities, and made our time in Bloomington thoroughly enjoyable.
