“ To LaVonne, family members and friends of Roger,

My condolences go out to all of you. Lyle, Ken and I had many fun moments having coffee with Roger at McDonalds in Spring Lake Park during weekday mornings. His wit and humor were always something to look forward to. During the past couple of years, we managed to see Roger at McDonalds outside during the summer a few times. I would occasionally call him, or he would call me as well. It is an honor to have known him, he won't be forgotten.
