

## Steven John Schwartz

August 16, 1952 - June 22, 2018

Steve John Schwartz, age 65, beloved husband of Janet Nelson-Schwartz, proud father of Joey and Jenna, and grandfather (Papa) of Joey, passed away on Friday morning, June 22, 2018.

Steve was born on August 16, 1952, to Shirley and Stanley Schwartz. Raised in Minneapolis, he spent most of his life there. Recently, he moved to Golden Valley with his family. He attended Minneapolis schools and graduated from Patrick Henry High School in 1970. He went on to attend Winona State College (WSC). During his high school and college years, Steve participated in football. Being a part of a football team was special to him and he cherished the memories of playing the game. He was a tough defensive player, and the last year he played at WSC, he won both district and all conference awards.

Later he assisted in coaching Joey's little league football teams.

Steve played guitar in "Ultra", a band that he, his brother, Brad, and their friends put together in the 70's and 80's. They played at different venues throughout Minnesota with hopes of making it "big" someday!

Throughout his life, Steve held many different jobs. As a teenager, he worked at his father's restaurant, the River House. Of all the jobs he did, he was the most proud of being self-employed as an electronic technician. He owned and operated Prime Time Video Repair.

Family was always important to Steve. Family included relatives and friends, as well as the family dog, Lucy.

Steve was always a loving husband, fantastic father, excellent coach, and a rock and roll enthusiast-specifically Jimi Hendrix.

In addition to his wife, children and grandson, Steve is survived by his sister Sue (Glen), brother Brad (Teresa) and Joey's fiancé, Anna, as well as many nieces, nephews, relatives and friends.

Steve touched many people throughout his life. He had a great sense of humor and a caring heart! He always let others know that he loved them!

He will be greatly missed by his family and friends.
