

Mr. William Henry Heurung

May 8, 2020

William "Bill" Henry Heurung

Age 81, of Brooklyn Park passed away in 2020 following a courageous battle against COVID-19. Preceded in death by parents Henry and Josephine. Survived by loving wife of 57 years, Wanda, and daughter, Jodi (Eric & Lauren Stendahl).

Bill was born in Minneapolis in 1939. He attended Saint Anne's grade school and graduated from DeLaSalle High School in 1957. He was a private pilot and Air Force veteran who proudly served as a medic with the 133rd Airlift Wing.

Throughout his life, Bill was recognized for his talent and work ethic. He gleaned great joy from being a husband and father and with Wanda, provided a loving home to 45 foster children. Bill co-founded a property investment company and after retiring from Robbinsdale ISD #281, he and Wanda volunteered countless hours helping others.

Bill was a member of the Elks, Jaycees, American Legion, Lions Clubs, Aircraft Owners & Pilots Association and American Water Ski Association. He loved all things aviation. He had diverse interests that included water skiing, scuba diving, cars, Elvis, ice fishing, woodworking, square dancing, wine making, amateur radio, R/C airplanes, model trains, DIY projects, baking, his computer, his dog and treasure hunting/thrift shopping. Regardless of the activity, no matter what Bill did, doing it with Wanda made it that much better. Above all else, Bill loved people and people loved Bill. He was a friend to all. He loved meeting people - offering a big smile, a welcoming handshake, a wink and quick-witted joke.

Bill will be remembered fondly for his friendly demeanor, loving nature, kindness, commitment to family, helping others and of course his sense of humor. His spirit will live on in the hearts of those he knew.

A private memorial service and interment will be held at future date.
