“ *It's been 2 years since Abby passed, and I still think of her a lot.*

I worked with Abby at PrairieCare. We bonded over our shared experiences with chronic illness and my interest in OT. PrairieCare was a hard place to work at as a disabled person, but Abby brought kinship, kindness and humor into my work days. She was one of the few friends I had, and her absence in my life brings me sorrow. I loved seeing her smile, watching her slowly make all those paper cranes. I wish she would have gotten to finish them.

I miss Abby dearly, and I thank all those who knew her for being there for her through what I know was a hard last year of her life.

*With love,
Mel*
