“Ada was my neighbor and friend for over 20 years. I will miss her dearly. I will especially miss our conversations. She loved to talk about her family, gardening and the Timberwolves. I want to express my deepest condolences to her family.

*Carol,*

*Thank you for your words of sympathy. You were a terrific friend to Mother. She loved your visits and your chatty and cheerful conversations, and she (as were we) was so grateful when you tended to her when she cut her thumb trimming weeds in her yard. She did love her Timberwolves and the Twins too.
