“ Adam was one of my closest friends from elementary to high school, and I have many great childhood memories of times with Adam. Riding our dirt bikes where Fuddruckers is now along 494 in Edina, catching huge crappies one summer on Penn Lake, and my first road trip/fishing trip to the BWCA at the age of 16 in Adam's Mitsubishi pickup. Fishing for Sauger in Red Wing, canoeing down the Cannon River on an Environmental Studies field trip, running interference between Adam and Mr. James our math teacher so Adam wouldn't get busted chewing after class. He was one of the most fun loving and friendly guys I was blessed to have known and to call a friend, and I regret not staying in touch after high school. My prayers are with his family and everyone who loved him, and I'm so very sorry for your loss. Ken Berry
