Tribute Wall

“ Adam/Dad, we all miss you so very much. We hope that you are having a great time with God and everyone else who you have missed dearly. You have been a great father since the day I was born. We had our ups and downs, but got through it all. Life has been challenging since you left. You always told us to be strong, so that's what we are going to do. I enjoyed having you in my life for the past 15 years. I know Sis enjoyed her 21 years with you. You may not be here on earth anymore, but you still are by our side and we know you love us. If I become half the man you were, I will consider myself lucky. You will always be in our hearts and we will always miss you. Fly high with the angels dad.
