“ I worked with Addie many years at Northwest Airlines & shared some fun times outside of work as well. She was a sweet woman. I'll treasure the many laughs we shared. Rest in peace my friend.

“ I have visited Addie about every 2-3 months when I came to her house to trim the kitties nails. I loved chatting with her about all her awesome bird feeders and flowers, her pets, and the crazy things going on in the world. I'm shocked and saddened that I will not see them all again. 😞. She was such a sweet woman, I will miss her.

“ Addie was our neighbor as we lived on mallard trail opposite her house. Our dogs would meet at the top of driveway as we talked about our lives and days events. A very caring person Addie was and will trually be missed. Prayers for her and family.
